STATE PRINTER OF PENNSYLVANIA,
1905.

PREFACE.

In order to promote correspondence and co-operation as far as may be possible among the agricultural societies and fair associations of the State, this Department again gives, in the following Bulletin, No. 136, as full a list as it has been able to secure of such societies and associations within the Commonwealth, together with the names and address of their officers, and the dates arranged for exhibitions during the coming Fall.

It will be noticed that some of the societies given in the list do not hold exhibitions. They, however, appear in the bulletin in order that the list of associations organized for the advancement of agricultural education may be as complete as possible, and to give other associations opportunity to correspond with them. The societies, whether holding fairs or not, are fruitful sources of good to the agriculture of the Commonwealth, and are assured of the sympathy and, as far as possible, the co-operation of this Department.

N. B. CRITCHFIELD.
Secretary of Agriculture.
